### Will Rustle Now.

The foundation of the Hotel and Opera House having settled sufficiently, the work of placing the joists is now being done. In a few days a large force of brick layers will begin work and the building will go up almost as rapidly as Jack's bean stalk.

### Masonic Lodge Tonight.

The local Masonic lodge has invited Bro. Henry Sandifer and his excellent team to come over from Danville tonight and confer the third degree. He has accepted and the Lancaster Masons are looking forward with much pleasure to tonight's work.

Mrs. S. D. Rothwell is making great preparations to open the Dripping Springs hotel on June 1st. Mrs. Rothwell made a great reputation for the quiet little resort last season, and a great many more people have signified their intention of spending a vacation there this summer.

### Colored Soldiers, Attention!

The colored Regiments of the Regular Army are filling up very fast, and there are only a few vacancies left. All able-bodied colored men who can read, and all ex-soldiers who desire to re-enlist should call at once at the Recruiting Office in Lexington, near the College Building, Main Street, near post office, Lexington, Ky. ma-4-tf

### Save Money.

Come in Monday and get a suit of all wool goods at shoddy prices. They will wear you twice as long as common goods. If you buy of Howard Tailoring Company you will get a number 1 hat, with a suit, or a fine pair of suspenders, with a pair of pants, free. No change in prices.

M. D. Hughes, Agent.

### John Robinson's Circus.

Old John Robinson's circus, which has been pleasing Kentuckians for thirty years, will exhibit in Danville Wednesday, June seventh. We are already counting the days between now and the notable event. As soon as the bill posters struck town we telegraphed for reserved seats on the top row, next to the band, for Mr. W. C. Price and myself.

### Don't Miss This.

The ladies of the Fork church will give a Strawberry supper at Mr. F. B. Kemper's, who resides just below the church, next Thursday evening, June 1st, from six o'clock till ten. If you want something good to eat and plenty of it don't fail to be there. Everybody invited. Admission 25cts.

### Lieut. Lucien Young.

Many Lancaster friends are delighted to know the War Department has recognized the gallant services of Lt. Lucien Young and promoted him to rank of Lieutenant Commander. He commanded the little bull-dog "Hist" and those familiar with the daring work of the little craft, applaud the just recognition Lt. Young has received.

### Pretty Brick.

The pressed brick for the hotel are being put on the ground. They are made at Zanesville, Ohio, and are beauties. They cost 24 cents apiece laid down here. They are brought to Danville over the Q. & C., and hauled here in wagons. Mr. Ryan says by doing this he saves \$2.50 per thousand, the freight being less than that charged by the L. & N.

### Speaking.

J. W. Daugherty, of Nicholasville, who is working in the interest of M. A. Cassidy, candidate for superintendent of public instruction, addressed a good sized audience at the Court House Monday and his talk was well spoken of. He was introduced by L. A. Leavell, one of Garrard's most prominent colored men. Mr. Leavell said "If the democratic ticket is made up of such men as Mr. Cassidy, I will vote for the entire ticket."

### Must Pay the Policy.

Many friends of the late Benj. C. Dunn will be glad to know that his widow, Mrs. C. Dunn, will receive the full amount of the \$2,000 policy he held in the Mutual Benefit Life Insurance Co. The company claimed that as Mr. Dunn had failed to pay last premium, they were not bound but the court of appeals decides that, as the company had granted an extension to a certain time beyond that time, it must pay the full amount with damages.

### Things are Better.

Since Joe Petty has been on duty as night watchman, the disgraceful conduct heretofore carried on has been abated, and people living in the center of town do not feel as though they were in the midst of Sampson's fleet in action. A man doesn't mind paying taxes when he knows his property, and we may safely say his life, will receive some protection. We hope the lord high-cock-a-lorum will keep Petty on.

### Jordan-Pumphrey.

Mr. Vester Jordan, of Wilmore, and Miss Lizzie Pumphrey, of this city, were quietly married at the home of the bride's parents in this city Thursday evening by Rev. Massey, of the Baptist church. The wedding was a surprise to their friends, they having kept it a secret until a short time before the appointed time. The groom is a well-to-do young man, and the bride, a daughter of Mr. and Mrs. Jas. W. Pumphrey, is a young lady of many accomplishments. The happy pair will reside at Wilmore.

### Colored Recruits.

The War Department has wired Lt. W. T. Johnston, recruiting officer at Lexington, Ky., to enlist colored applicants for Cavalry and Infantry service, sending the former to Fort Grant, Arizona, and the latter to Fort Douglas, Salt Lake City. This is an excellent opportunity for young colored men to get into the regular Army. Recruit for white Infantry and Cavalry regiments are also wanted. Apply to Lieut. W. T. Johnston, 1-10-tf Main St. Lexington, Ky.

### Capt. McFarland Retired.

Capt. McFarland, of the 16th U. S. Infantry, has, upon his own request, been placed upon the retired list. He has been in the service thirty years. The wounds received at the famous charge up San Juan Hill have caused him much trouble and his physician advised him to retire and enjoy a well-earned rest. The part he took in the San Juan fight has been highly complimented by the War Department and the daily press that published accounts of the fight.

### Recruits for the Philippines.

The Recruiting Officer in Lexington has just received orders to enlist a number of white men for service in the regiments now in the Philippine Islands. These men will be sent direct to San Francisco from Lexington, and from there to Manila. This will make a fine trip for able bodied men unmarried, and not over 35 years of age. It will be a chance to see the world, and possibly make a trip entirely round it. Persons desiring to enlist should apply at once to the recruiting officer in Lexington, in order to be in time. may 4-tf

### After the G. A. R.

Capt. Herndon and James Dillon, representing the white Post, and Carey Mullins, of the colored Post, went to Glasgow, Monday, to attend the state meeting of the G. A. R. They will make a strong fight to have the meeting held in Lancaster next year. If it comes, it means many dollars to the town, beside much enjoyment to the friends of many old Vets.

### WE GET IT.

A telegram from Capt. Herndon says "We get the encampment in 1900." This is good news, and now let's all hustle to make it a grand success.

### Sunday Only.

The bible says Sunday was set apart as a day of rest. That's very true, but the 1899 Sabbath is used by some people principally as a day to be religious. The long-tail coat, the jack-ass-in-a-grave-yard look are only exhibited on Sunday, and the hypocrite lays them aside at 10 o'clock Sunday night to be used no more until the following Sunday. One of Sam Jones' subjects is "Sunday Only Religion" and in it Samuel has food for much talk. It is disgusting to see so many men pretend to be religious on Sunday and then be as mean as the very devil the next six days.

### New Paper at Stanford.

Hon. T. M. Goodnight and Mr. Joe F. Waters were here Monday and told us a brand new Democratic newspaper advocating the free and unlimited coinage of silver at the ratio 16 to 1, without the consent of any other Nation in the world, located right on top of the Chicago platform, and red-hot for Hon. William Jennings Bryan for President, will be launched at Stanford in a few weeks with themselves as the editors. They propose for it to be a visitor to every household in Lincoln and adjoining counties and will print over three thousand the first issue, the subscription price being only \$1.00 per year, and it will be an eight-page paper with the news of the whole world. They said they were meeting with the greatest encouragement from people in Lincoln, Boyle, Mercer, Casey, Garrard and adjacent counties and now is the time to climb into the band wagon. Mr. Goodnight is a lawyer of much ability. Everybody knows Joe Waters and what kind of a fellow he is.

### GOOD.

Contract Let for Erection of Handsome Block on the Old Opera House Site.

Monday Dr. J. B. Owsley, of Stanford, closed a contract with Messrs. Ryan for the erection of a handsome block of buildings on the site of the old opera house. This building will cover the entire lot from the National Bank to Richmond street. It will consist of four store rooms, running full depth of lots and office rooms above. The front is to be of Ohio pressed brick with trimmings of cut stone, and the entire front of store rooms plate glass. There are to be large fire walls between each store and the entire building constructed in the latest and most up-to-date manner. The building will cost \$10,000 and is to be completed by fall. The erection of this block will be one of the greatest blessings the town has had. There is a demand for more store and office rooms and this building will fill a long-felt want. Rent in Lancaster has been decidedly too high, and the additional rooms will, we sincerely hope, bring the prices within reason. Dr. Owsley has the thanks of our people for his enterprising step. The Messrs. Ryan will begin work at once.

### Foot Mashed.

The other night as J. T. Hammond was unloading ice, one of the large cakes fell on his foot, badly mashing the member and causing much pain. Mr. Hammond hauls ice from Stanford during the night and the darkness is partially the cause of the accident. He's about all right now.

### The Protracted Meeting.

We do not remember of seeing more interest displayed in a protracted meeting than is being manifested in the one now in progress at the Christian church. Every seat is occupied at each service, and the most marked attention given the speaker. Eld. Powell is a man of excellent education, a fluent speaker and displays much feeling in expounding the gospel of Jesus Christ and Him crucified. Quite a number have united with the church. A feature of the meeting is the splendid music. Some fifteen or twenty of the best singers in the county take part and this, in connection with Miss May Z. Hughes' organ accompaniments, makes complete one of the best choirs we have ever heard. It is not known yet whether the meeting will be closed Sunday night.

### Lancaster is Coming.

Some idea of the rapid strides our town is making can be gathered from the following list of work we found in the office of Messrs J. R. and Richard Ryan. Their office, at the Hamilton House, is one of the busiest places in town, but they always find time to be mighty polite and kind to callers. They now have on hand the residence of Cabel Denny, on Lexington avenue, \$2,500; the Hotel, \$20,000; J. C. Thompson, dwelling, \$2,800; H. M. Ballou, residence, \$1,500; Thos. Austin, residence \$1,800; Dr. J. B. Owsley, business block, \$10,000. Then they have to remodel the residences of Capt. Herndon, Dr. J. B. Kinnaird, J. C. Hemphill, J. E. Stormes and Maj. R. Kinnaird. They are also preparing plans for much prospective work, among this being the Y. M. C. A. gymnasium, remodeling the Christian church, and several dwellings.

### Fine Mint Crop.

In the rear yard of the Court House in this city is one of the finest crops of mint that ever the sun shone on. About twenty-five years ago each of the various officers at the building kept a jug of fine liquor at hand. It was "the thing" in those days, even in the private home, to bring out the demijohn, and nothing was thought of it. As stated above, the Court House officials were no exceptions to the rule, and, in order to make things complete, this bed of mint was planted. Not only the officials, but many citizens took great pains in seeing the mint well looked after. Their careful attention was rewarded, as the roots are thickly set now, and the fragrance of the weed causes the mouth of many a sanctimonious old cuss to "water" as he passes the spot. We say "sanctimonious old cuss" because its that class who use mint in their. The poor devil takes it straight.

### Notice to Trustees.

Under instructions from the State Superintendent two Trustees were elected in each School District in Garrard County last October; the one receiving the greatest number of votes to qualify as the regular trustees on July 1 1899, and the one receiving next to the greatest number, to qualify at once to fill a vacancy supposed to be then existing. Since that election the Court of Appeals has decided that there was no vacancy at that time, but that the old Trustees hold over one year longer. Hence, the man receiving next to the greatest vote qualified through mistake and was, in reality, never a Trustee. Therefore, the one who received the GREATEST NUMBER OF VOTES at the October election will be recognized by me as the legal Trustee for the ensuing term and he will accordingly qualify some time during the month of June. ELISA J. LUSK, Co. Sup't.
